The summer is a great time to improve as a team. It also provides the opportunity to improve individually. This June we will be holding a three-day camp for our high school players. This includes players going into grades 9-12. During camp we will work to improve individually, review our offenses, as well as introduce new material. It is important that you make an attempt to attend.

Please return the form to Coach McLaughlin by **Friday, May 26** if you plan to attend camp. Camp payments can be made payable to **Algona Girls Basketball**.

Online registration is also available at: www.algonabasketballcamps.com

*there is no additional cost for online applications.
